Re: Transfer of brainewave.com

The 1&1 Internet AG has received a request from

1&1 Internet Inc. Webhosting on behalf of Brainewave Consulting

on 31-Aug-2011 for us to become the new registrar of record.

You have received this message because you are listed as the Registered Name Holder or Administrative contact for this domain name in the WHOIS database.

Please read the following important information about transferring your domain name:

- You must agree to enter into a new Registration Agreement with us. You can review the full terms and conditions of the Agreement at http://registrar.schlund.info/xml/registrar/Terms_Overview?__language=en_US
- Once you have entered into the Agreement, the transfer will take place within five (5) calendar days unless the current registrar of record denies the request.
- Once a transfer takes place, you will not be able to transfer to another registrar for 60 days, apart from a transfer back to the original registrar, in cases where both registrars so agree or where a decision in the dispute resolution process so directs.

If you WISH TO PROCEED with the transfer, you must respond to this message via one of the following methods (note if you do not respond by 15-Sep-2011, brainewave.com will not be transferred to us.).

- Please print out a copy of this message and send a signed copy to +1 (610) 560 1502

According to ICANN regulations, in addition to the signed form, we require some form of authority to confirm the identity of the signatory. This can be a copy of a passport or other official identity document and should be faxed together with the form.

If you DO NOT WANT the transfer to proceed, then don't respond to this message.

If you have any questions about this process, please contact transfers@registrar.1and1.info

With kind regards

your 1&1 Internet Team
